are not intentionally formulated with raw materials containing the following allergens:

- Cereals containing gluten (wheat, rye, barley, oats, spelt, kamut or their hybridised strains and products thereof)
- Crustaceans
- Eggs
- Fish
- Peanuts
- Soybean
- Milk
- Nuts, i.e. almonds, hazelnuts, walnuts, cashews, pecan nuts, brazil nuts, pistachio nuts, macadamia nuts and Queensland nuts
- Celery
- Mustard
- Sesame seeds
- Sulphur dioxide and sulphites at concentrations of more than 10mg/kg or 10mg/l expressed as SO₂
- Lupin
- Molluscs

These products are part of the NSF non-food compound program. This attestation does not imply that these products are suitable for food contact, nor does it relieve the food manufacturer of their responsibility to implement HACCP principles. Products must be used strictly in accordance to the usage instructions provided in the NSF registration letter.

Yours faithfully,

A. Segers
European R&D Director

This information is considered accurate and reliable as of the date given above and is presented in good faith. Because use conditions and applicable laws may differ from one location to another and may change with time, recipient is responsible for determining whether the information in this document is appropriate for recipient's use. Since CRC has no control over how this information may be ultimately used, all liability is expressly disclaimed and CRC assumes no obligation or liability therefore.
